Objective

I was a AutoCAD drafter worked for a leading Australian Joinery company in Adelaide. As resettling in Sydney, I am looking for drafter roles with my current AutoCAD shop drawing experience in building industry. Glad to start from a junior designer role. I am ready here in Sydney for any immediate start. Many thanks!

Highlights

- 2.5 years working experience as an AutoCAD drafter and Project Administrator in Australia.
- Result driven and Attention to details.
- Strong interest in building design, Self-motivated quick learner.

Education

The University of Adelaide 07/2014-07/2016

- *Master of Engineering (Civil and Structural)*
- Thesis: Research of Fibre Reinforced UHPC
- GPA: 5.2/7.0

Working Experience

- Intern structural engineer in the Architecture Design Institute of Huadu District, China
01/2017-04/2017
- Internship at **IJF Australia Ltd Pty** (SA 5013) 03/2018 - 05/2018
- Design Drafter & Project Administrator at **IJF Australia Ltd Pty** (SA 5013) 05/2018 - 07/2020

Skills and Certificates

- Proficient in 2D and 3D drafting using AutoCAD.
- NSW White Card obtained recently.
- Intermediate Revit skills and ongoing self learning.
- Fluent in English, Mandarin, Cantonese.
- Australian driver's licence, Full rights to work in Australia
